"Is there another way to solve the problem?"

"What did you mean when you said....?"

"Could you explain your answer?"

"I have a different opinion, ..."

"I would like to add to that."

I also noticed...

"I have a different opinion, ..."

"What is your evidence?"

"Did everyone hear that?"

"Say more about what you mean."

"Can you repeat what _____ said?"

"So are you saying...?"

"Why do you think that?"

"How does that connect to...?"

"I have something to add..."

"Say more...We can wait."

"Do you agree?"

"Where do you see that?"

"I agree with you because..."
