

"What did you
mean when you
said.....?"

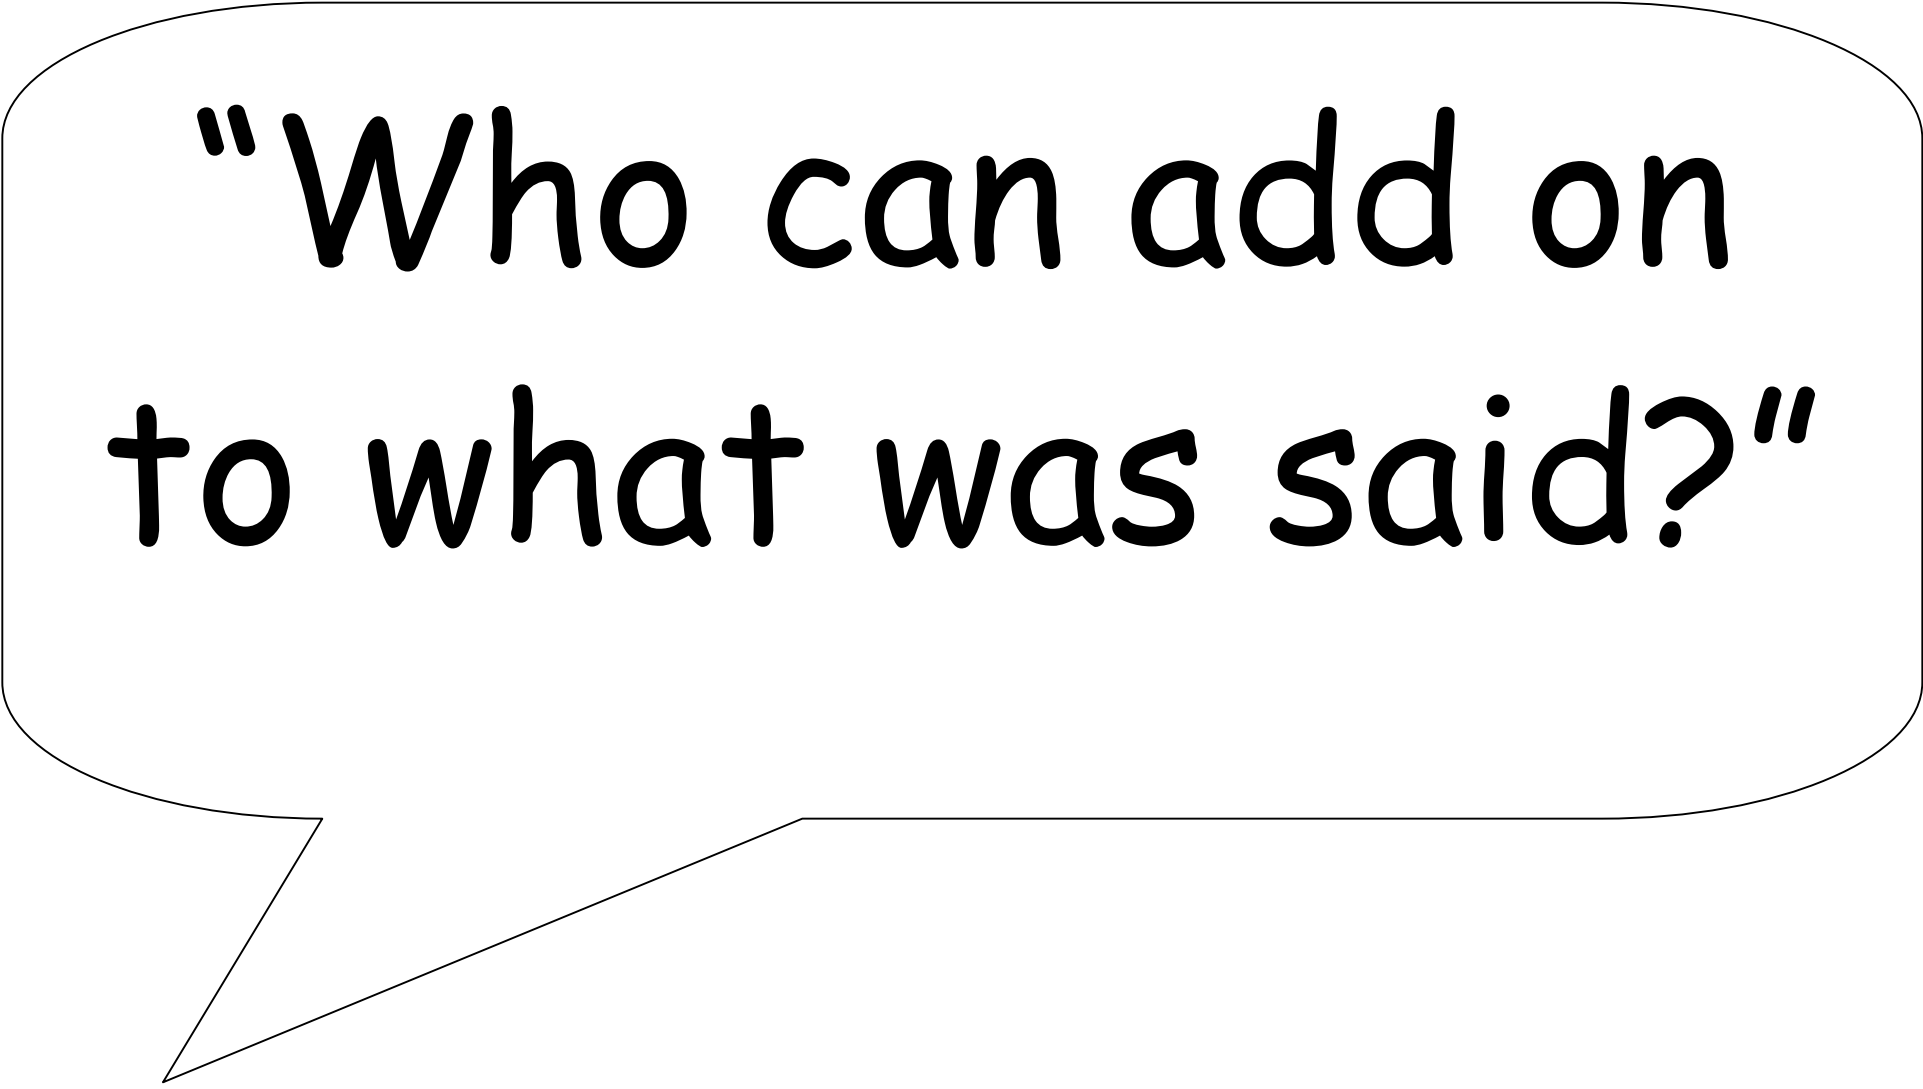

"Say more about
what you mean."

A black and white speech bubble with a rounded top and a pointed tail pointing towards the bottom-left. The text inside is in a simple, rounded font.

"I would like to
add to that."

"What is your
evidence?"

A black and white line drawing of a speech bubble. The bubble has a rounded top and a pointed tail pointing downwards and to the left. Inside the bubble, the text "Who can add on to what was said?" is written in a large, bold, black, sans-serif font. The text is arranged in two lines: "Who can add on" on the top line and "to what was said?" on the bottom line. The entire speech bubble is centered on a plain white background.

"Who can add on
to what was said?"

A black and white line drawing of a speech bubble. The bubble has a rounded top and a pointed tail at the bottom left. Inside the bubble, the text "Did everyone hear that?" is written in a large, bold, black, sans-serif font. The text is arranged in two lines: "Did everyone" on the top line and "hear that?" on the bottom line. The entire speech bubble is centered on a plain white background.

"Did everyone
hear that?"

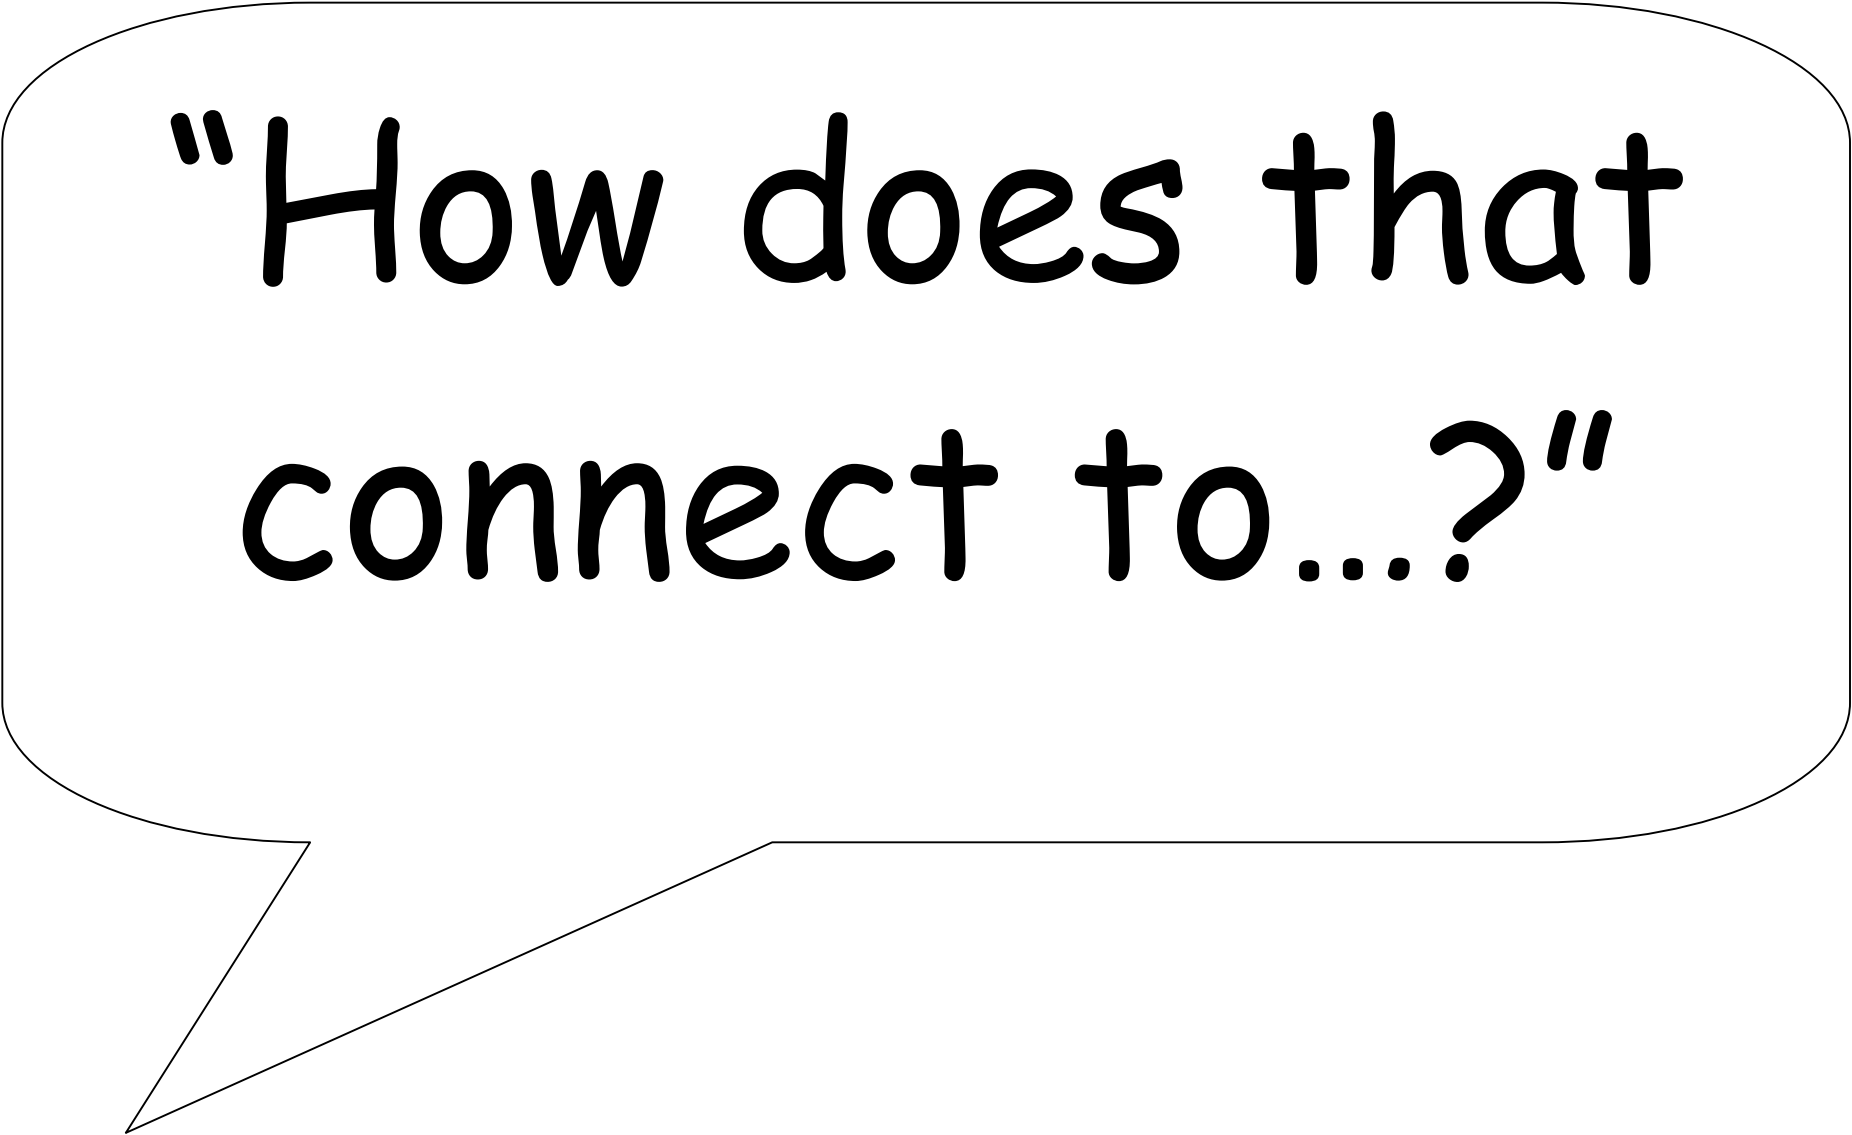

"I have a
different
opinion,..."

"Can you repeat
what _____
said?"

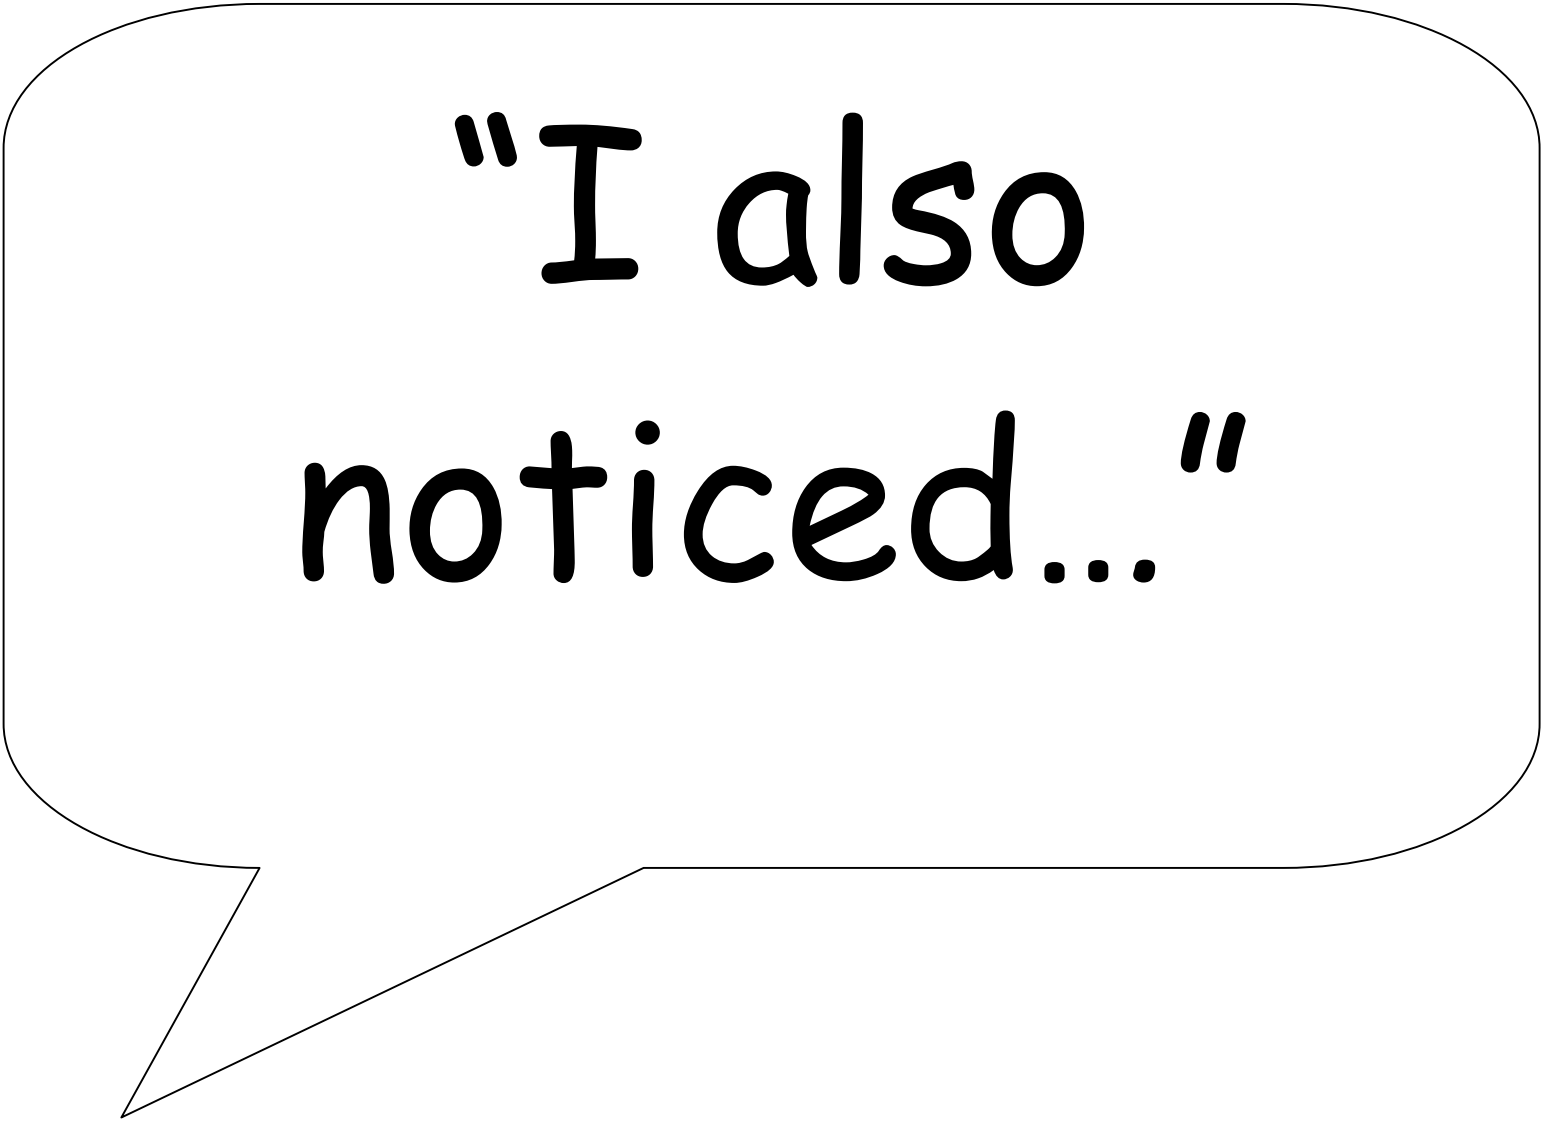

"Do you
agree?"

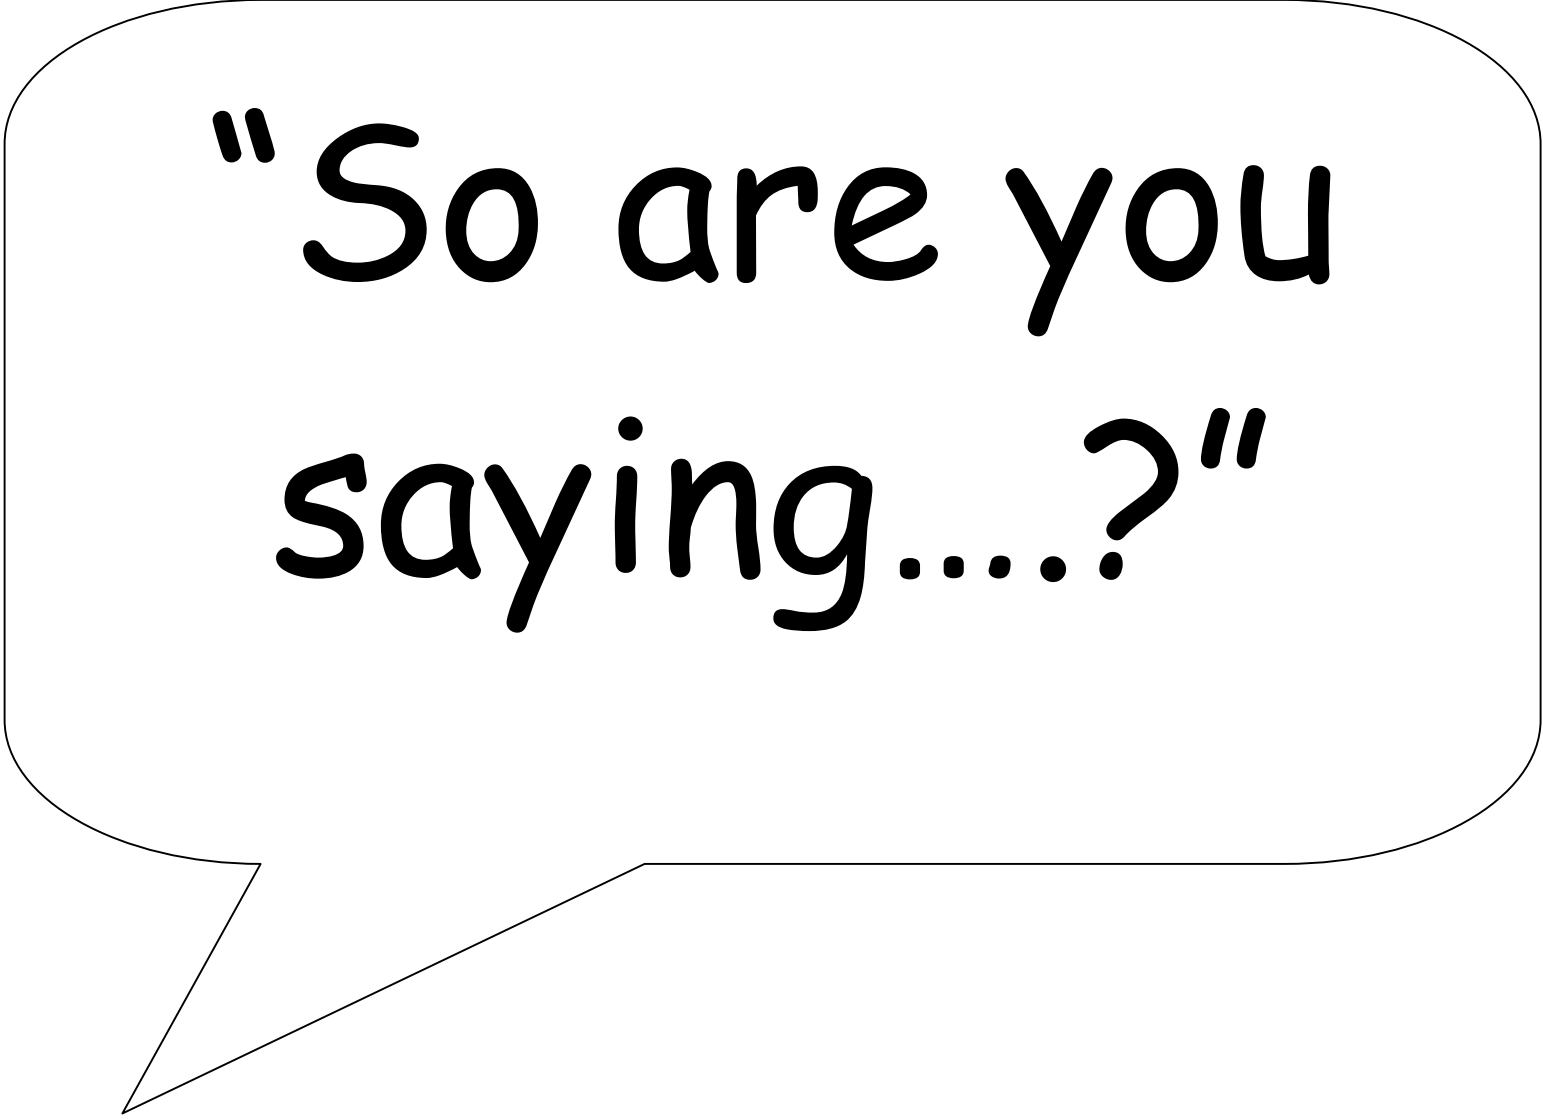

"How does that
connect to...?"

A black and white line drawing of a speech bubble. The bubble has a rounded top and a pointed tail at the bottom left. Inside the bubble, the text "Where do you see that?" is written in a large, bold, black, sans-serif font. The text is arranged in two lines: "Where do you" on the top line and "see that?" on the bottom line.

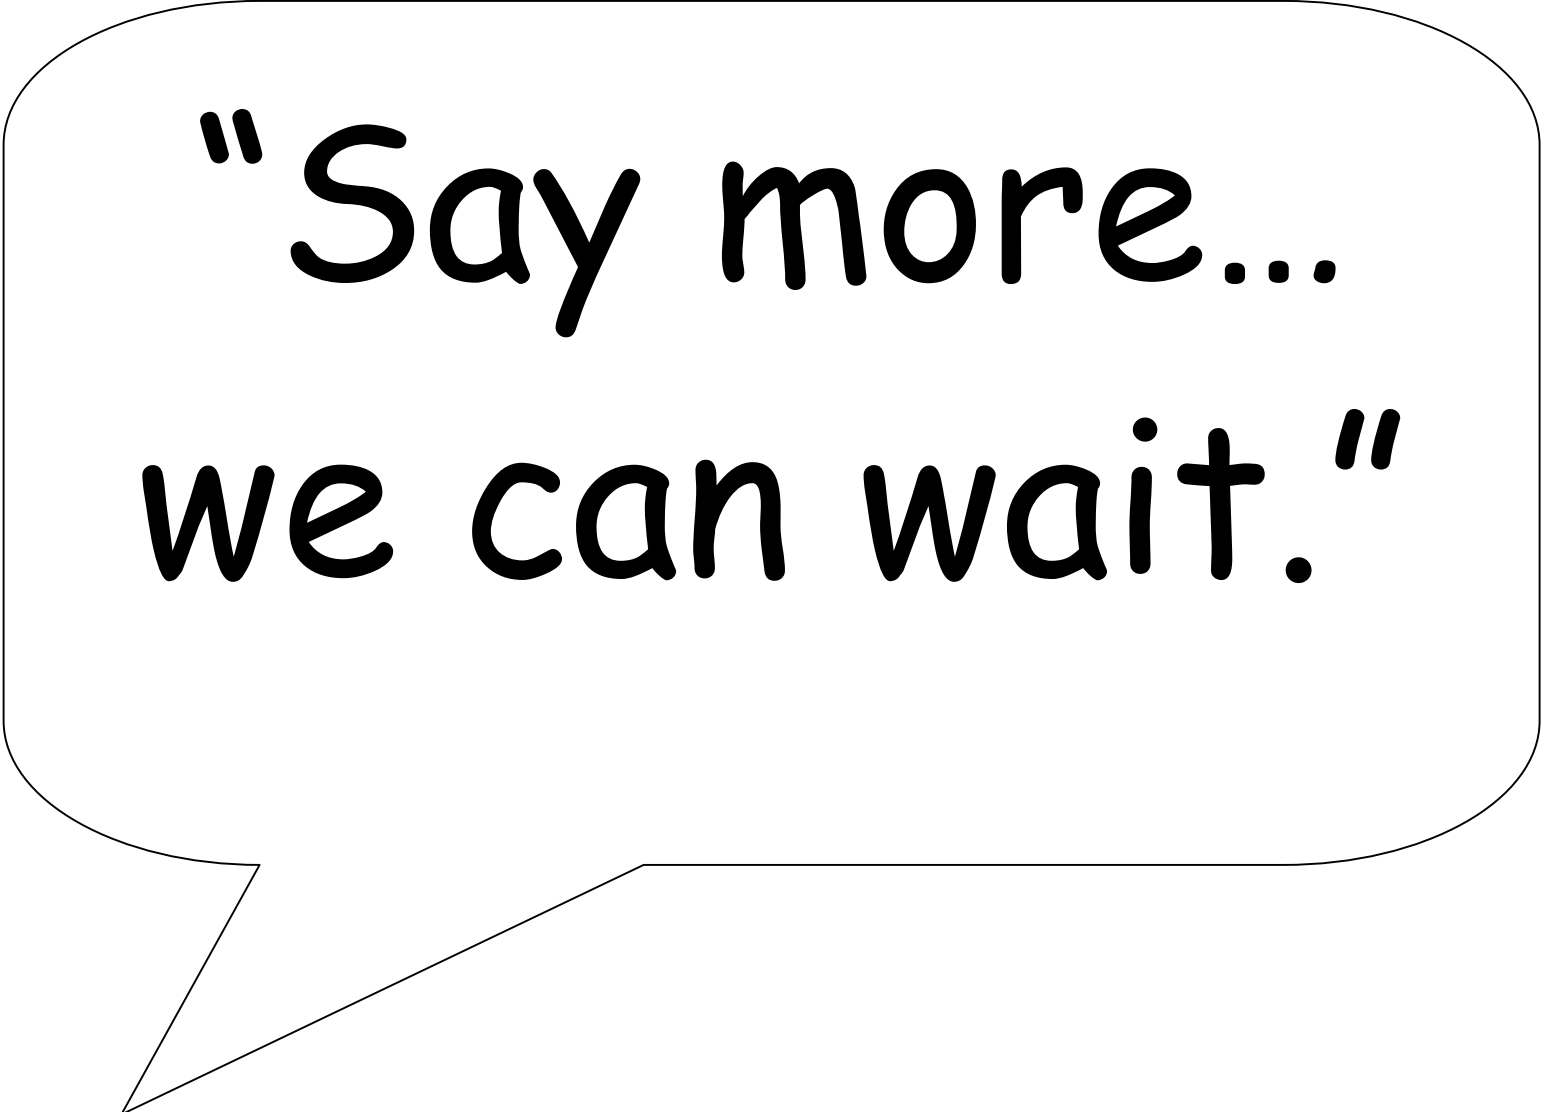

"Where do you
see that?"

"I also
noticed..."

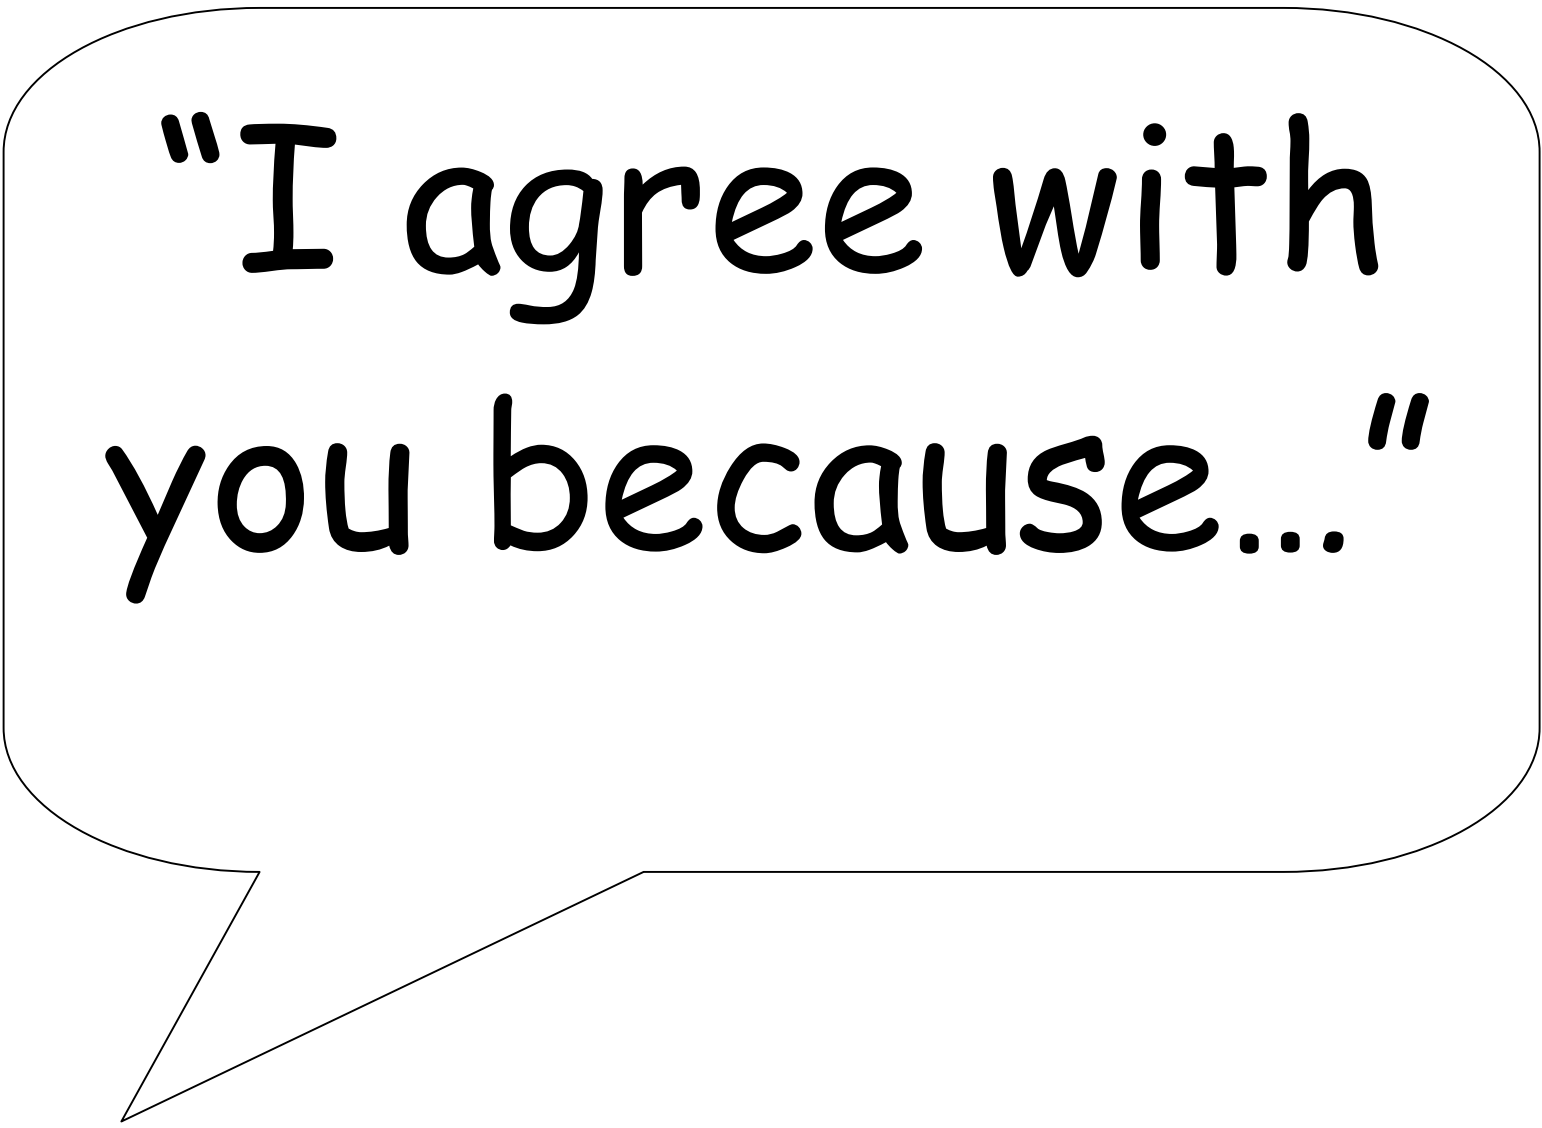

"So are you
saying....?"

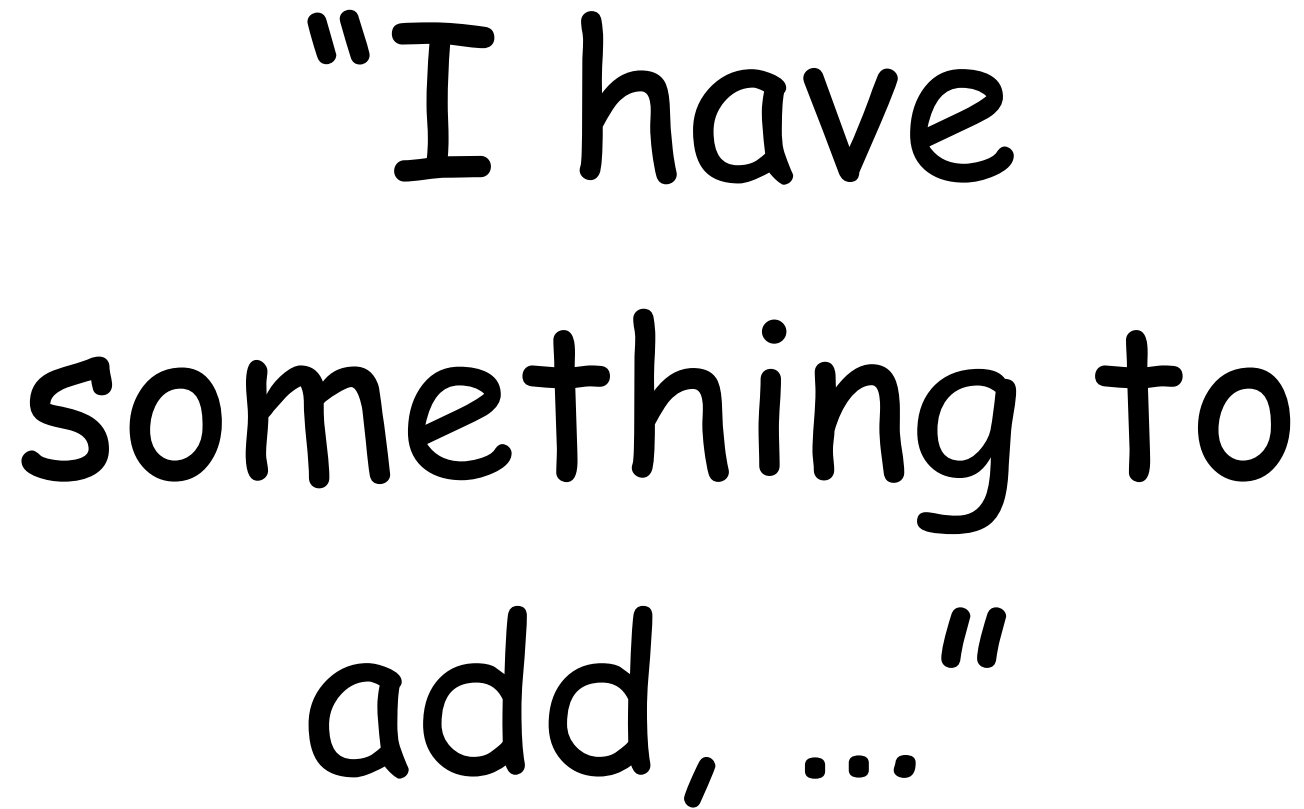

"Say more...
we can wait."

A white speech bubble with a black outline and a tail pointing towards the bottom-left. The text inside is written in a large, black, rounded, sans-serif font.

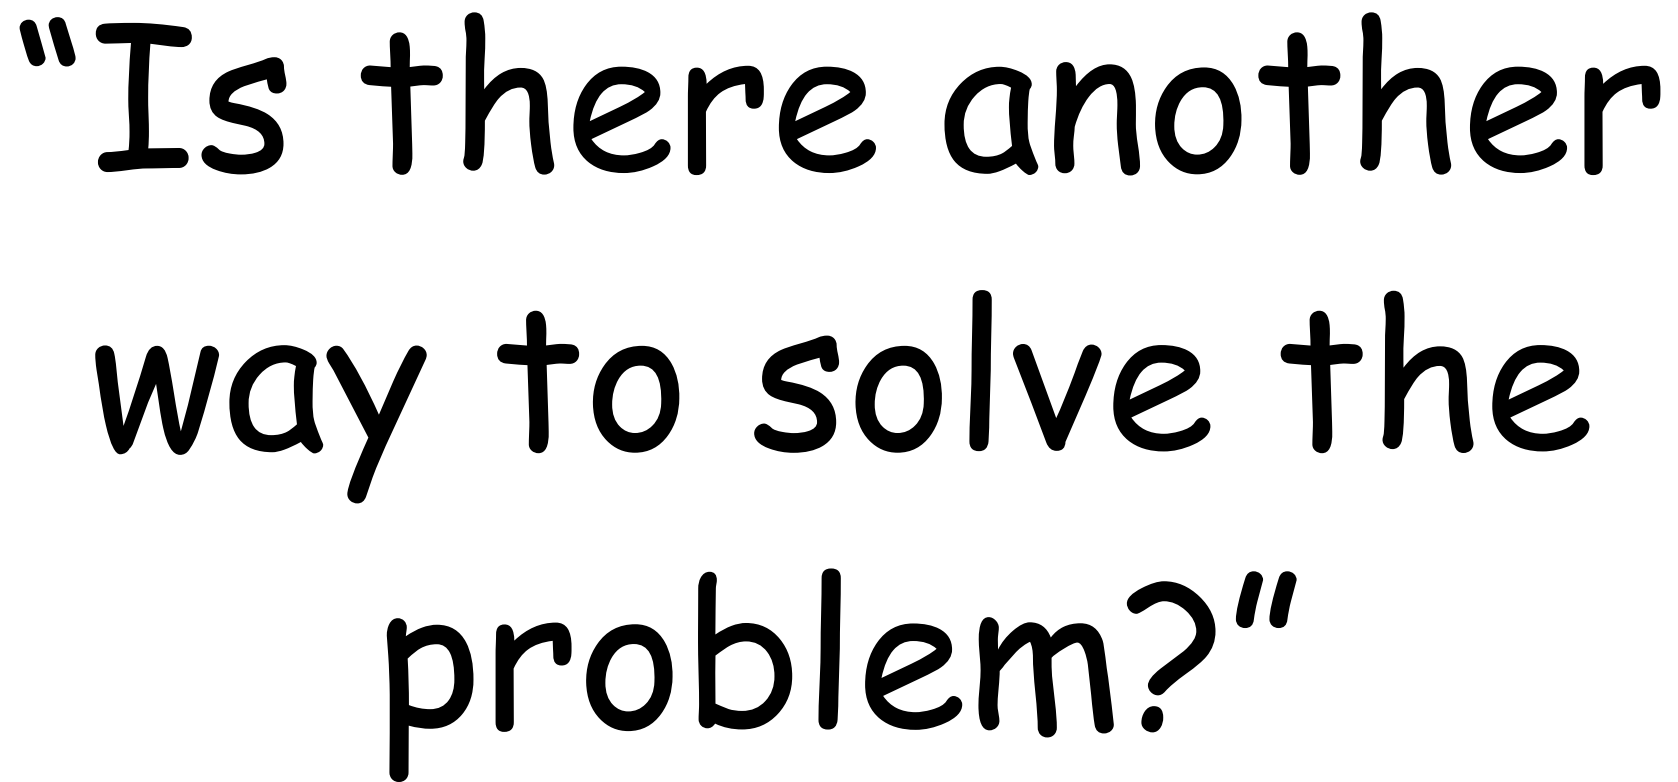

"Could you
explain your
answer?"

"I agree with
you because..."

"I have
something to
add, ..."

A black and white line drawing of a speech bubble. The bubble has a rounded top and a pointed tail at the bottom left. Inside the bubble, the text "Is there another way to solve the problem?" is written in a large, black, sans-serif font, arranged in three lines. The first line contains "Is there another", the second line contains "way to solve the", and the third line contains "problem?".

"Is there another
way to solve the
problem?"

A black and white line drawing of a speech bubble. The bubble has a rounded top and a pointed tail at the bottom left. Inside the bubble, the text "Why do you think that?" is written in a large, bold, black, sans-serif font. The text is arranged in two lines: "Why do you" on the first line and "think that?" on the second line. The entire speech bubble is centered on a plain white background.

"Why do you
think that?"
