

I DON'T KNOW WHAT TO SAY ... I WANT

TO JOIN THE CONVERSATION

I would like to add to what said. _____

I have a different opinion because ...

Something else I noticed is ...

I agree with what _____ said because ...

Who can add to what _____ just said?

TO ENCOURAGE SOMEONE ELSE TO JOIN IN THE CONVERSATION

I'd like to hear what _____ has to say.

Do you agree?

Are there any other opinions?

I'm sorry; I can't remember your name. Can you help me out?

Could you explain your answer?

I have a different opinion because ...

What is your evidence?

TO MOVE THE CONVERSATION ALONG

It sounds like we're all saying the same thing ... Does anyone have anything new to add?

I couldn't hear you ... Could you repeat what you just said?

Say more about that ...

TO THINK MORE DEEPLY

Where did you find that?

I think we should move on to another question ... are there any objections?

Why do you think that?

Where do you see that?
